Understanding the Excellences and Beauties of the Holy Qur'an

After reciting Tashahhud, Ta'awwuz and Surah al-Fatihah, His Holiness, Hazrat Mirza Masroor Ahmad(aba) said that we are passing through the Ramadan, a month which brings about a spiritual atmosphere, as it should within a divine community.

Deliberating and Reflecting Over the Holy Qur'an

His Holiness(aba) said that this month brings with it an increased attention towards worship, fasting and the recitation of the Holy Qur'an. The month of Ramadan and the Holy Qur'an have a distinct connection, as God Almighty states in the Holy Qur'an:

'The month of Ramadan is that in which the Qur'an was sent down as a guidance for mankind with clear proofs of guidance and discrimination.' (The Holy Qur'an, 2:186)

His Holiness(aba) said that according to some narrations, it was on the 24th of Ramadan that the Holy Prophet(sa) received the first Qur'anic revelation. It is also recorded that during this month, the angel Gabriel would go over the Holy Qur'an with the Holy Prophet(sa). Thus, especially during this month, we should focus on reciting and listening to the Holy Qur'an and its commentary. Programmes in this regard are also available on MTA which everyone should benefit from.

His Holiness(aba) said that when we read the Holy Qur'an with its translation and commentary, it is then that we can implement the teachings of the Holy Qur'an and adopt them in our lives. Therefore, we should focus on this during this month especially and also take advantage of the various lessons on the Holy Qur'an arranged in mosques during this month.

His Holiness(aba) said that over the course of recent sermons, he has been highlighting the excellences and beauties of the Holy Qur'an in light of the Promised Messiah's(as) teachings. It is important that everyone listen to these and ponder over them so that they may reap the true blessings and rewards associated with the Holy Qur'an. His Holiness(aba) said that he would continue mentioning the excellences and beauties of the Holy Qur'an in light of the Promised Messiah's(as) writings
